Release Date: 28 Oct,

English

Thanks Steam! Love the Skins and The Dungeons were a little tricky, but we got em' done! I personally did not use the Pumpkin Pet Skin because it was 5000 FP !!! so I fed it to my pet to raise that lvl! Pretty awesome pack, had fun, love the skins, and on sale was a beauty price! Thanks guys!! :D. Dont use the skin unless on a maxed exotic pet
